

Spring 2011

Dear Sponsor, Fan, Friend:

The coaches, parents, and players of the 2011 U18 Lady Orioles wish to **Thank You** for your generous donation. The funds you have provided will be used to pay for uniforms, umpire fees, equipment, league fees, and tournament costs. The players and their families work hard at contributing to these costs by organizing, and participating in fundraisers. Financial support from businesses, within our community, is extremely important to our survival. Your contribution has made it easier for the girls to focus on playing ball rather than raising funds.

Your generosity will serve to inspire others and help us continue to provide instructional training and valuable experiences to these talented athletes of our community. We would sincerely like to **Thank You** for becoming one of our proud 2011 supporters. You are welcome to come watch us play, and see the talent you have inspired, at any time. Our schedule is posted on our website. Thank you again!
